LIVE-STREAM TRAFIC SAFETY EDUCATION COURSE CONTRACT

PLEASE READ, SIGN & PRINT YOUR NAMES. Email or mail back.

1. Students must be at least **15 years old by the first day of class**. A Driver's Ed course is designed for students ages 15-18 & consists of:
 - **34 hours** of classroom instruction (incl. ZED- a computer driving simulation program)
 - **5 hours** of **SUCCESSFUL** drives behind-the-wheel
 - **1+ hrs. observation**
 - Some homework, weekly quizzes and a Final Exam; all with passing scores of 80+%.
2. Students will be considered complete once all course requirements are met and balance is paid in full. If a student fails the course by not meeting the requirements, the full tuition will be required upon enrollment of another course. (see para. 8 below) Minimum length of a course for all locations except the San Juan Islands is 5 weeks; length to complete a course is 6 -9 MONTHS (from the date of the course) or whenever the student is able to obtain their permit from DOL. Course tuition is \$500. Balance may be paid in full by the LAST day of the course or by Drive 5.
3. Drives will begin after a student has their learner's permit. (Permits have not been issued for some students since mid-March) Once drives do begin, students will have time to purchase their permits from DOL and then must have their permit with them during their drives. No permit, no drive. The lesson will be forfeited and another driving lesson must be purchased at the discounted rate of \$50.
4. _____ Driving lessons usually extend beyond the classroom portion of the course. Lessons take place outside of classroom time, by appointment. Once students have a permit, we will make appointments with an instructor. We will practice COVID-19 safety protocol & will notify you with those details once we begin drives.
5. _____ Students need at least 15 hours of drive practice with a parent/guardian during the course & must show their drive log as proof. We understand that students may not have their learner permits yet, but once that happens & we begin drives, students **MUST** get at least 3-5 hours between each drive. Drive instructors reserve the right to suspend drive lessons if they deem the student is not capable of executing the maneuvers/driving safely due to lack of practice. Parent participation in drive practice is not **OPTIONAL**. If, after 5 lessons, the instructor does not think the student can perform the necessary skills to drive safely, it may be necessary to purchase additional drive lessons at \$55/ea. The Dept. of Licensing requires 50 hours of guided practice driving—10 hours of which are at night --before students can get their license. Students can view the WA State Driver's Guide manual at: <http://www.dol.wa.gov/driverslicense/docs/driverguide-en.pdf>. (No need to print.)
6. Please read the INTERMEDIATE DRIVERS LICENSE REQUIREMENTS, pp 1-4 at:

7. _____ A student **CANNOT MISS MORE THAN 3 CLASSES (6 HOURS) AND** they cannot miss the **FIRST 3 DAYS/6 HOURS** in a row. The 4th day of missed class will result in an automatic drop from the course. No refund will be given & you will need to pay full tuition for the next course if you choose to re-enroll. Late enrollments are not allowed after the 2nd day of the class. **ALL MISSED CLASSES MUST BE MADE UP** within 6-9 months of the start date of their class. The student cannot make up a class in advance. Students may have an opportunity to attend a live-stream class as makeup.
8. _____ **Our Refund Policy:** We require a **14 day notice** if you are withdrawing or transferring from a class to avoid a \$75 service fee. 50% of tuition will be refunded after the 3rd day of class. (No refunds on partial payments). There will be **NO REFUNDS** after the 4th instructional day of the class.
9. _____ If a driving lesson is missed or cancelled less than **48 hour** notice, the drive lesson will be forfeited. Another driving lesson must then be purchased at a discounted rate of \$50. If the student is sick with COVID-19 symptoms, an exception will be made.
